[in/samexperience](#)

SAMExperience is a three years EU Erasmus+ project (*KA220-HED – Cooperation partnerships in higher education*) aiming at assessing the gap between theoretical and practical knowledge in collaborative green sector.

Objectives

The project aims to develop the **SAMExperience**, an international, digital, flexible and personalised learning experience for **Sustainable Alliance Managers (SAM)**.

Impact

- Build-up the definition of the **Sustainable Alliance Manager** profile and competences;
- Develop a **digital and personalized learning paths** to elaborate collaborative-green skills;
- **Pilot and assess of the competence development levels** in higher education students in engineering and business fields.
